SPEC'S Cheese of the Week

Beehive Barely Buzzed

This is a full bodied cheese with a nutty flavor and smooth texture. The cheese is hand rubbed with a specially-made blend of ground coffee beans mixed with French Superior Lavender buds. The rub imparts notes of butterscotch and caramel which are prevalent near the rind, but find their way to the center of the cheese. The cheese is cave-aged on Utah Blue Spruce aging racks at varying temperatures during the aging process to develop texture and flavor.
