SPEC'S Cheese of the Week

Manchego el Trigal 1yr D.O.

From the region of Castilla La Mancha in Spain, Manchego is D.O. cheese, which can only be made from milk of the Manchega sheep that graze in the provinces of Albacete, Ciudad Real, Cuenca and Toledo, all which form the region of La Mancha. The Corcuera Family was the first in all of Castilla La Mancha to make and commercialize Manchego cheese. The Family produces the cheese in the province of Toledo using the same day milk, producing a more buttery Manchego. This complex, full flavor Manchego is aged for 1 year.
